TRUSTED AUTOBODY REPAIRING SPECIALISTS

PASSION

Founded in 2018 by Tsakani Rikhotso, First Stop Autobody is a South African based Autobody specialist and related service provider, offering exceptional, professional and cost-effective repairing solutions.

As passionate and reliable industry experts, First Stop Autobody provides autobody repairing solutions, non-structural, structural auto repairs (awaiting MBR grading), paint-less dent removals, auto glass, auto signage, stone chips repairs and rubberizing at affordable prices, without compromising on quality. Our key drivers include personalized customer attention and efficiency, ensuring that all our services are completed and coordinated with a high level of excellence. We are committed to providing our customers with the very best in autobody repairs, while working together and building strong partnership with all our stakeholders.

Through continuous excellence, industry innovation, knowledge and experience we take the time to understand each customer, their needs, and their specific vehicle repairing requirements. The result is a complete, reliable and specialised service solution that is ideally suited to our customer's needs and budget.

The business fosters a customer-centric working culture of high integrity and optimal service delivery. We ensure that our services are aligned with our mission, vision and company values on a continuous basis, thus alleviating the stress felt by our customers when sourcing such necessary services.

OUR VALUES

We have a passion for delivering value to our clients through:

- affordable high quality
- specialised service offerings
- exceptional client service.

We treat our team members, customers, partners and suppliers with mutual respect and sensitivity, recognising the importance of diversity. We are committed to the highest level of integrity in every aspect of our business,.

OUR MISSION

OUR MISSION is to be recognized as a quality-driven auto body repairer and related services provider, serving our customer relationships through a combination of innovation, expertise and satisfaction management. We aim to provide a selection of specialised auto body services that meet the needs of the progressive work environment in South Africa.

We are committed to a high level of service from customer request, to quotation, to service delivery. Our customers can rest assured that their vehicle repairing solutions will be a seamless one, with every detail taken care of on their behalf. This level of service is a unique characteristic of our business, and provides First Stop Autobody with the foundation for strong customer relationship.

OUR VISION is to position ourselves as market leaders with the autobody and related series industry. Our aim is to uphold our unique reputation for affordable quality and unique vehicle repairing solutions, while continuing to provide the level of service that our customers have come to expect

The sustainable growth of our business is directly related to the fostering of long term customer relationships, while participating in local community upliftment and empowerment programs and environmentally friendly initiatives.

WE PROVIDE VEHICLE REPAIRING AND RELATED SERVICES. OUR AIM IS TO MAINTAIN OUR REPUTATION AS LEADERS WITHIN THE INDUSTRY, WHILE PROVIDING WORK AND SKILLS DEVELOPMENT OPPORTUNITIES TO OUR FELLOW SOUTH AFRICANS

SERVICES WE OFFER

First Stop Autobody provides a one-stop-shop for affordable, high quality and specialised autobody repair services. We are a member of the Retail Motor Industry Organization and South African Motor Body Repairs Association (Member Number 1006601) awaiting MBR grading. Our areas of specialisation include the speedy non-structural and structural auto repairs, paint-less dent removals, auto glass, auto signage, stone chips repairs and rubberizing etc.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

We are a company that is dedicated to giving back to the community, and we believe in supporting the development of disadvantaged and vulnerable communities. We are currently donating to Doctors Without Borders

GOING GREEN

As global sustainability and the preservation of our planet becomes paramount, we accept our role as a community leader through our position and use of recycling systems and eco-friendly product. We focus on reducing waste and we support education initiatives that promote a green economy, we are currently donating to GREENPEACE UMOJA

MEET THE TEAM

First Stop Autobody was founded by Tsakani Rikhotso in 2018. He is passionate about providing South Africa with affordable and specialised vehicle repairing solutions while insuring work and skills development opportunities for the local community.

As a subsidiary of Tsakani Automotive Solutions (Pty) Ltd, founded in 2016, the business is well supported by its stakeholder by insuring the company continues to deliver exceptional, cost-effective and professional services

As a hands-on entrepreneur, Mr Tsakani Rikhotso together with the workshop manager Mr Jan Pieters, bring combined extensive industry knowledge, training and experience. They offer their unique expertise, and network to provide exceptional services solutions, regardless of project complexity.

They have highly skilled work shop staff, production equipment and resources.

Creating accessibility to Autobody repairing solutions is close to the founder's heart and he is passionate about providing work and empowerment opportunities to South African's ensuring the betterment of the country's economy.
